

Worthless

Dido

Know what you came for
And I know when you'll leave
You came for my heart
And it's lost to me

For I won't stop you
I will open my door
My heart is here waiting
I don't need it no more

I know why you're leaving
And I'll just let it be
I am left w/ nothing
And now you're lost to me

For I can't stop you
I will open my door
My heart is here waiting
I don't need it no more

I know why you're waiting
To give me time to breathe
Before you take my heart now
Just get up and leave

For I won't stop you...

For love makes a fool of me
for love makes a part of us
you know it's worthless, as worthless can be
for love makes a fool of me
for love makes a part of us
you know it's worthless, as worthless can be
It's worthless, worthless
Can't be
