Die Form

behind your face, unreal light  
behind your mask, unreal pain  
behind your hate, unreal flame  
behind your tears, unreal life.  
light matter from nebulae,  
narcissi dream and corollas,  
iron organs and radiations:  
oreal by fire.  
beyond your eyes, unreal dark  
beyond your cage, unreal force  
beyond your dreams, unreal forms  
beyond your love, unreal death.
