Die Form

When I open some doors,
Others close in the never-ending night,
When I close some doors,
Others open in the dawning day.
Bluish rain, blackened blood, azure without silvering,
Dark mauve destiny, scarlet orchid flesh.
Atrous tear, gridelin sea, pale diffused reflection,
viridian shivers, incarnadine vulva.
When I open some doors,
Others close in the never-ending night,
When I close some doors,
Others open in the dawning day.
Flammeous sky, melanic hand, starless floating body,
Ever unbridled pleasure, haematic rigid phallus.
Cinereous threatening cloud, cyaneaous claw-like nails,
Faraway spasma, faint scream, leucochroic fluids.
Floating body in the never-ending night.
Viridian shivers in the dawning day.
