

The Hidden Cage

Die Form

Cage for us...
Cage for us...
Cage for us...
Cage for us...

Shivering
In a cage,
waiting for you,
waiting for you

Petrified
In my dreams,
waiting for you,
waiting for you

Immobile prisoner,
survivor of passions,
impossible progression,
Enclosed for ever...
Enclosed for ever and closed...
Enclosed for ever and closed...
Enclosed for ever and closed...

Drop by drop,
pouring out,
waiting for you,
waiting for you

Dying life,
break the spell,
waiting for you,
waiting for you

Enclosed for ever and closed...
Enclosed for ever and closed...
Enclosed for ever and closed...
Enclosed for ever and closed...

Cage for us...
Cage for us...
Cage for us...
Cage for us...

Shivering
In a cage,
waiting for you,
waiting for you

Petrified
In my dreams,
waiting for you,
waiting for you

Immobile prisoner,
survivor of passions,
impossible progression,
Enclosed for ever...

Enclosed for ever and closed...
Enclosed for ever and closed...
Enclosed for ever and closed..
