

Attitude

Die Happy

They should put you in jail
For your perfect looks
You're the lady cocaine
Powder make-up

You're a mystery linked with misery
You're a treasure case
Feeling naked

And everything is possible today

You can't buy an attitude
It's not for sale
Don't say you're
Missunderstood
You just kiss and tell

You can't buy an attitude
like a pair of shoes
No money in this world
Can buy a better you

Mrs. Universe with her head in the sky
Mrs. Love affairs
come on, shake it!

They should put you in jail
For your perfect looks
You're the lady cocaine
Powder make-up

And everything is possible today
Just one thing's impossible
Always!!!

Now you collide
With the tears in your eyes
Why don't you just smile
