Cry For More

EmiC D

I wanna be cool - to keep your friends amused

EmiC D

I wanna be beautiful - to celebrate the muse

EmiC D

I wanna be high - entertain you when you're blue

EmiC D

I wanna be wise - just because of you

EmiC

Maybe then you would see me

D

Maybe then you would care

EmiC D

but there's more to love than meets the eye

G D

Would you cry for more

EmiC D

If your Love was truly blind

G D

Could you cry for more

EmiC D

If it's only me you find

EmiC D

It's kicking me down

EmiC D

I wanna be strong - to match your every move

EmiC D

I wanna be crazy - to myriad of moods

EmiC D

I wanna be bright - to stand out in the crowd

EmiC D

I wanna be brave - to make you proud

EmiC

Maybe then you would see me
