

You Said

Die Happy

Grey and dirty colors, you said
Time will make them bighter, you said Poor and jealous people,
you said Hide or come to the top, you said

Wealth and perfect order, you said All taht one could need, you
said Cold and arrogant, you said Feel like someone better

All that can be said All that can be thought It's enough to see
thought All those sayings

You said I can't reach it

One is like another, I said Love and hate will stay, I said All
have the same mother, I said I feel good anywhere

All that can be said All that can be thought It's enough to see
thought All those sayings

You said I can't reach it
