Say your prayers, little one Don't forget, my son To include everyone Tuck you in, warm within Keep you free from sin Till the sandman he comes Sleep with one eye open Gripping your pillow tight Exit light, enter night Take my hand We're off to never, never land Something's wrong, shut the light Heavy thoughts tonight And they aren't snow white Dreams of war, dreams of liars Dreams of dragon's fire And the things that will bite Sleep with one eye open Gripping your pillow tight Exit light, enter night Take my hand We're off to never, never land Now I lay me down to sleep Pray the Lord, my soul to keep If I die before I wake Pray the Lord, my soul to take Hush, little baby, and don't say a word And never mind that noise you heard It's just a beast under your bed In your closet, in your head Exit light, enter night Grain of sand Exit light, enter night Take my hand We're off to never, never land
