Nocebo

Die Krupps

First it tastes sweet
then it turns sour
It sucks you dry
You lose your power

I'm in your blood stream
I'll let your mouth scream
There's no remedy
Come feed your enemy

I'm in your dream
I make you scream
I am inside
your eyes shut wide

You suck me in
Can't spit me out
I'm inside
your eyes shut wide

Nocebo
I do you harm
Nocebo
Fear keeps you warm
Nocebo
Sei auf der Hut
Nocebo
Tut dir nicht gut
Nocebo
Nocebo
Nocebo

You yearned for a remedy
You swallowed the enemy
Now I'm in your blood stream
I'll make your heart scream

Your eyes shut wide
while I rampage inside
I tear your soul apart
Your pain is my reward

You suck me in
Can't spit me out
I'm inside
your eyes shut wide

I'm in your dream
I make you scream
I'm inside
your eyes shut wide

Nocebo
I do you harm
Nocebo
Fear keeps you warm
Nocebo

Sei auf der Hut
Nocebo
Tut dir nicht gut
Nocebo
Nocebo
Nocebo
Nocebo
