

Miss Americunt

Die Mannequin

I'll be there when the light goes off
As long as it's all about me
So proudly we fail forever
It just trips and fades away

You're no good
If it's not me

Then it's you
And you thank no one
Miss Americunt
You
Violence had no son
Miss Americunt
And it's you, yeah, it's you

I'll be there like the rest of them
In your fire, your highs, and your stripes
New wave Miss Americunt
In a new wave spangled fight

(You're no good)

If it's not me, than it's you
And you blame no one
Miss Americunt
You
Violence had no son
Miss Americunt
And it's you, yeah it's you

It's always about the hate exchange
To call my name
And it's always about
The proud mistakes
And the back lit blame

I'll kill them if they kill us
When everything hurts
And everyone else
Says give it to me
But nothing helps
I can't live with all this hate

And it's you
And you thank no one
Miss Americunt
You
Violence had no son
Miss Americunt

And it's you, and it's you
And you blame no one
Miss Americunt
You
Violence had no son
Miss Americunt

And it's you, yeah, it's you

It's you, hey

It's you, hey

One kill for every pill

One kill for every pill

One kill for every pill
