

## Orson Welles & 2012

### Die Mannequin

...

Reckless leaders spit their reasons  
Tune into MTV  
Psychos ...

I hope I find the right place for myself  
So they'll never find me  
I hope I save all my friends from themselves  
'Cause they're dying on me  
I hope I find the right place for myself

For myself

The system's failing  
Orson Wells in 2012  
So ...  
I can taste the puke in my mouth

I hope I find the right place for myself  
So you'll never find me  
I hope I save all my friends from themselves  
'Cause they're dying on me  
We fight right back when they're holding us down  
Don't you dare defy me

I hope I find the right place  
I hope I make an escape

...

Our love could break us

...

Our love is ...

I hope I find the right place for myself  
Will you stay behind me  
I hope I save all my friends from themselves  
'Cause they're dying on me  
We fight right back when they're holding us down  
Don't you dare defy me

I hope I find the right place  
I hope I make an escape  
I hope I get a right place

Yeah
