

## Futile Belief

### Die Verbannten Kinder Evas

In the evening call for him  
Waiting for the good life he may bring  
It won't come to you  
He doesn't hear for you

In your darkness beg for hope  
Waiting for the good thins he may bring  
They wont come to you  
He doesn't hear for you

But you never will deny  
All the things you've ever done before  
You will not deny  
He doesn't hear for you
