

Winters Night

Die Verbannten Kinder Evas

The sky won't be blue again
The scent of meadows forever gone
Fading cries, a colden reign
The magic land of sparkling snow...

Enchanting beauty in its pride
A mystic stranger, softest might
A sad and colden nameless bride
Never forgiving winter's night

The sky won't be blue again
The scent of meadows forever gone.
Fading cries, colden reign
The magic land of f sparkling snow.

Enchanting beauty in its pride
A mystic stranger softest might
A sad and nameless bride
Never forgiving winter's night.
