

# Since I Fell for You

Diesel

You made me leave my happy home  
You took my love and now you're gone  
Since I fell for you

Love brings such misery and pain  
I guess I'll never be the same  
Since I fell for you

It's to bad, it's to sad  
I'm in love with you  
First you love me  
Took my money then you snub me  
But what else can I do  
Well, I'm still in love with you

I guess I'll never see the light, oh  
I get the blues most days of the night  
Since I fell for you

It's to bad, it's to sad  
I'm in love with you  
First you love me  
Took my money then you snub me  
What else can I do  
Well, I'm still in love with you

I guess I'll never see the light, oh  
I get the blues most days of the night  
Since I fell for you  
Since I fell for you, yeah
