

# Flash Flood

Diet Cig

Do you wanna  
Stay up all night  
Playing dice  
I promise I'm not as  
Lucky as I used to be  
Just know who you're  
Playing with there, guy  
I'm much more self-assured  
Than you'll ever be

I will scream it from  
The rooftops that  
I am worthy of love  
Let it hit me like a  
Flash flood  
Tumble under the  
Weight of it all  
And even when I feel small  
I am a fucking fast ball
