

What's your sign?
I want to analyze your eyes
And what's inside
Make it mine

Sometimes life is underwhelming
Will you be my second helping?
I'm so bored by myself
Don't wanna hang out with anybody else

You say I'm bad luck
But you can't seem to get enough

Sometimes life is underwhelming
Will you be my second helping?
I'm so bored by myself
Don't wanna hang out with anybody else

(Sometimes life is underwhelming)
Anybody else
(Will you be my second helping?)
Anybody else
(I'm so bored by myself)
Anybody else
(Don't wanna hang out with anybody else)
Anybody else
