

Scene Sick

Diet Cig

I'm sick of hearing about your band
I don't want to hear about who you think I am

I don't care
I don't care
I don't care
I don't care
I don't care
I don't care

I'm sick of hearing about your scene
I'd rather talk about something more exciting

I don't care
I don't care
I don't care
I don't care
I don't care
I don't care

I just want to dance
I just want to dance
Come on, take my hand
Fuck all your romance
I just want to dance

I just want to dance
I just want to dance
Come on, take my hand
Fuck all your romance
I just want to dance
