

Dig Dat

DigDat

A next opp said fuck DigDat
Put him in a ****, let me dig that
Twist my knife when I dig that
She fuck with a chain saying DigDat
Every lil' nigga wanna be DigDat
Outside they all say DigDat
On the stage they always shout DigDat
She fuck with a chain saying DigDat
Why they all hate DigDat
Shout my bro he'll bang for DigDat
Hundred bags on a watch
Hundred bags on a chain that's DigDat
Them cats are dig thots
But I rap now I get these big racks
Whose that in a black truck? There's DigDat
Whose says that? Aye spot, say DigDat
My bitch wanna fuck on DigDat
Thinks she's in love with DigDat

'Member old days I was on my Ridgeback
Now we just hop out of cars and ling that, ling that
Six-packs in the gym bag man I hit the trap and flip that, fip that
Back in her jeans and how did she fit that fit that?
Sure this corn will fit that
Make them swerve me a bolt, man that swing that, swing that
I'm a rapper and I ain't really dangerous
Only a fool would think that
See me in a dinger, why would you risk that?
And I don't know for these new plates guys
Don't ask me 'cause I been bad
Bussing my gun and I feel that kick-back
Your moving hot my cuz said kick back
They ain't on shit shing man down
Get left with a shit-bag maybe a piss bag
