

## Life Support

DigDat

Young Kidd got the heat, baby

I was shoutin' "Get off my neck"  
Gov' had me on head support (What you doin'?)  
I put niggas on life support (True)  
Still swingin' my samurai sword (Swing it)

I had one ... me v 3, not a Yeezy, bare knife work on my CV (Bare)  
Squeeze one hand on the shetty, it get left leaky (Ching)  
Dior, Balenciaga, she want all of that, but her mileage high (It's high)  
My bitch knew car tank diesel, I'm passenger seat, one hand on her thigh (Skrrt)  
Bro had armed jakes just raidin' the flat, and I looked at my mum and she knew it was trouble  
Went through struggle, how many scuffles?  
Too much swing and my plug's a knuckle  
Rippin' up tops, tyin' knots on the net bag, now, it's a LV duffel (Yeah)  
Brand new socks matchin' slides to my belt, it's a Burberry buckle (Yeah)  
Flying through the city in sittin' sporty, I got no service in this tunnel (Nah)  
Push my dick in her mouthpiece, just give me uck, babes, I ain't tryna cuddle (Yup)  
I could take it back a bit, not nice, remember I was trappin' in the rain? (Trap)  
Now, it's Louis clips on the messenger bag with the monogram across this chain (It's on)  
As a kid, I was way too hype and my mum couldn't keep me tamed (Yeah, yeah, yeah, yeah, yeah)  
Done him on my rambo knife n' I did it with the flicky in a man's face (Yep)  
Came wrong, not on one level, I felt like Riley stuck in the dock (Lock)  
Now, I'm in Oban Street, new Monclers and I try on a top  
With my custard one, she yellow  
Hakkasan on my shank, stiletto  
Breakfast at the Bulgari  
Buildin' Zito, sippin' Prosecco  
My chocolate one, she a 10 out of 10, Kinder Bueno (Peng)  
What Dior drop ain't I copped yet? (Which one?)  
Tell me which AP ain't man got yet  
Which thot ain't give me uck yet?  
Niggas out here cuffin' these hoes (Shh), end of the subject (We're done)  
Vest top, she came in a vest top (Mh-mm)

My nigga S love bladin' head tops (Shh)  
Push his shank in your head top (Ching)  
Young, rich, and I'm gettin' guap (Money)  
Mix that cess with cookie (Mix that up)  
My eye, bloodshot (Shot, shot), ever seen a whistle on a G-  
Lock? (\*whistle\*, Young Kidd got the heat, baby)

I was shoutin' "Get off my neck"  
Gov' had me on head support (What you doin'?)  
I put niggas on life support (True)  
Still swingin' my samurai sword
