

Alter Ego

Digga D

Oi, Shotty Shane, how you get that name?
Just call Double Tap, you ain't got no aim
Oi, stay in your lane, have you gone insane?
When I slap that gauge, nearly blew out his brain
Shotgun Shane, man's name for a reason
Creepin', side by side gon' greet him
Look at him peeping, try Grim Reap him
But who have you bun? I ain't into the speakin'
I lit up that crib, go ask ****
I slapped it at ****, I slapped it at ****
I slapped it at ****, we slapped it at ****
Bro, who you think slapped it at ****?
Double Tap love the over and under
Eight plus two double one, that's my number
Double Tap fling corn in your jumper
Side by side in the ride, that's thunder (Rap, rap, rap)

Rap or trap?
Digga D or Dappz?
Shotgun Shane, love squeeze that wap
Double Tap, double back it and slap
Music thing, got me seein' these racks
Trap boy, I ain't payin' no tax
I keep spendin' money on straps
Pendin' waps and pendin' packs (Rap, rap, rap)
Rap or trap?
Digga D or Dappz?
Shotgun Shane, love squeeze that wap
Double Tap, double back it and slap
Music thing, got me seein' these racks
Trap boy, I ain't payin' no tax
I keep spendin' money on straps
Pendin' waps and pendin' packs

Oi, Dappz, what's the chat? I'm in the stu'
I'm in the trap, I'm in the booth, I'm washing this crack
Just finished this tune, just finished this pack
"Bro put a box in draws, 3-5 on scores," it was Digga that said that
But you know that it was Dappz that done that
Pack, won't run back, you know man take that
Yo, Digga D, man talk 'bout Dappz's life
For a blud, that Dappz done put on his knife
With the bine that I filled up, Double Tap's .9
Shotty Shane got his name from double-tap times
I just reloaded, it weren't an old song on Capital Xtra
Still pull up on ding dong peds, .35 or a Benz or a ding dong Vespa (Rap, rap, rap)

Shotgun Shane, love squeeze that wap
Double Tap, double back it and slap
Music thing, got me seein' these racks
Trap boy, I ain't payin' no tax
I keep spendin' money on straps
Pendin' waps and pendin' packs (Rap, rap, rap)
Rap or trap?
Digga D or Dappz?
Shotgun Shane, love squeeze that wap

Double Tap, double back it and slap
Music thing, got me seein' these racks
Trap boy, I ain't payin' no tax
I keep spendin' money on straps
Pendin' waps and pendin' packs (Packs)
