

Frenches

Digga D

I made 100 thousand yesterday
I think I need a rest today
Mexico, Cancun let's have a getaway
Remember the jail times, praying for better days
I woke up like which influencers next on the tick list
I wanna hit this
She saw a smart whip
Then saw a big whip
Don't do apartments, I got a big crib

Tu sais qu'on est no-limit
On va chercher la frappe du Maroc à toute heure
Dans le four on a trop trimé
Les p'tits vont vite passer de piétons à scooter
J'ai jamais trop biffé
Elle enlève le string à l'arrière de la Cooper
Maintenant j'fais les gros streamings
On pète du champagne, qui veut boire dans ma coupe ?

I'm from west so I'm very fresh
On the wing I had hash from marrakech
Law of attraction Y fi the manifest
I tried to pack him, swung and got his chest

Nike ou Louis vi
Tout dans le block, j'suis ici pour bi-bi
Ta tête est trop cramée, les petits vont pas vi-ser
J'crois ça t'a pris pour civil

I made the glee go woi woi woi
I made the poud say oui oui oui
I did a draw cctv
Came home buss case no more free me
I saw myself on itv, on phoning free Digga D
Even in jail, had my chinger on me
Had to ching up my man, did a drilling for free

De Paname, j'descends à London
La coca revient des Dom-Tom
Long chargeur, y a pas de gum-com
(Aaaouch)

I'm in the trenches but I'm in France, so I'm in the frenches
She's got a glance, dropped it in seconds
She deals with balls, tekkers

AMG, c'est normal j'consomme
La coco revient des Dom-Tom
De Paname, j'descends à London
(Aaaouch)

I had my flick knife, drilling in school days
Got caught selling weed in the hallways
Had my flick knife on me that's always

J'ai coupé la prod comme un boucher
Les coucher, j'y pense quand j'suis seul dans les bouchons

Les policiers me font tousser
J'vais bouffer sur les prochaines drogues que nous touchons
La zone est carbo
J'm'enfume dans le nardo
Bah ouais j'ai déjà barbé
Quand tu t'aperçois, il est tard gros

I got the most firearms in England, the United Kingdom
If we ain't got straps, we ching them
Flick it and swing them, tackle and leave them injured...
Tackle and leave them injured

I made the glee go woi woi woi
I made the poud say oui oui oui
I done a draw, cctv
Came home buss case, no more free me

I saw myself on itv, on phoning free digga d
Even in jail I had my chinger on me
