

Demons

Digital Summer

It seems familiar
Like you've been here before
But not like this

No, not like this
You survive the night
Trying to forget the memories
Haunted by regrets
It's time to let go
It's time to let go

It's hard enough to look at yourself
When you know that it's not right
God only knows that you've been through the hell
Just close your eyes
Let the demons rest tonight
And don't blame yourself
When you know it's a pointless fight
It's hard to let go, but it's nothing else
Just close your eyes
Let the demons rest tonight

You've built a cage
But your walls are closing in
There's no escape

There's no escape
You avoid the light
As if you're waiting for a sign
I watch you become
A prisoner to your own damn mind
It's time to let go
It's time to let go

It's hard enough to look at yourself
When you know that it's not right
God only knows that you've been through the hell
Just close your eyes
Let the demons rest tonight
And don't blame yourself
When you know it's a pointless fight
It's hard to let go, but it's nothing else
Just close your eyes
Let the demons rest tonight
Let the demons rest tonight
Let the demons rest tonight
