

Suffocate

Digital Summer

Another day, another sunrise
Calls to me
Saying get out of this place
Breaking down has become apart
Of my life now
But I'm so sick of always
Having to feel this

Suffocate!
Suffocate!
Suffocate!
I'm suffocating

I don't think that I can take another second
Here like this
All I know is that I need to get away
(All I know is that I need to get away)
You could cut my heart into pieces
I don't care
Can you see the desperation
On my face?

Could you throw away
All of your sick desires
Just to suffocate like me?
And set the whole damn world on fire
Just to suffocate with me

Suffocate!
Suffocate!
Suffocate!
I'm suffocating

So I'm being torn apart
To know the pieces in me
Will start to crumble and fall
(Will start to crumble and fall)

All these voices in my head
Are screaming at me
Saying just burn it all
(Burn it all)
(Burn it all)
(Burn it all)

Could you throw away
All of your sick desires
Just to suffocate like me
And set the whole damn world on fire
Just to suffocate with me

Suffocate!
Suffocate!
Suffocate!
I'm suffocating

What would you do

With the whole world
Rolled in your hands

I'd like to watch it burn
I'd like to watch it burn
I'd like to watch it burn
I'd like to watch it burn
I'd like to watch it burn
I'd like to watch you suffocate!

Could you throw away
All of your sick desires
Just to suffocate like me
And set the whole damn world on fire
Just to suffocate with me

Could you throw it all away
(Just to suffocate like me)
Could you throw it all away
(Just to suffocate like me)
Could you throw it all away
(Just to suffocate with me)
Just to suffocate like me

Suffocate!
Suffocate!
Suffocate!
