## **Digital Underground**

(Listen while they're comin man hurry up with the party dog shh be quiet) Enter a new dimension Can't you feel the tension Ever heard the word prevention Well you really need to pay attention You only need a little bit So you want another hit? Call emergency on the telephone You're in the danger zone ("Just lounge, you're in the danger zone" -- Erick Sermon) (4x) Verse One: Shock G You're in the zone, when you need another upper (another upper) You took a slip and goin out like a sucker (like a sucker) Matter of fact, you're more than just slippin You're way beyond control, you're on a mission (on a mission) You walk right through a wall To get a twenty, a forty or an Eight Ball And once you enter this area There ain't nothin scarier, all I wanna say to ya Is just back the hell up (back the hell up) You need to go where they let you do your thing in a cup (thing in a cup) And you take a diagnosis You see your boy Shock G wrote this (wrote this) To open up your mind Do you know who I am, deliverer of a rhyme My job is to verbally slay suckers Like an uzi spray motherfuckers (spray motherfuckers) The Underground is gonna get ya Now pay attention you're about to enter Into a new dimension Can't you feel the tension I'm sure you heard the word prevention So like I said pay attention You only need a little bit Ya still want another hit? Even if it's home-grown Yo, you're in the danger zone ("Just lounge, you're in the danger zone" -- Erick Sermon) (8x) Verse Two: Kenny K On the corner, I see cocaine addicts (cocaine addicts) Givin static and about to go at it (bout to go at it) And then you hear somebody holler (Who was it K?) It was Dopefiend Carla She was waitin on a winner (on a winner) That HOE, every night she has crack for dinner (crack for dinner) But everybody's basin Even the suckers who are runnin this nation YES, I'm pullin no punches The government gets drugs in bunches Shock G get the nine

But don't shoot until I finish my rhyme
This zone, makes suckers stop breathin (stop breathin)
Sweat bullets drop down to their knees and
Start beggin for your pipe cause you're all in
Sometimes you can feel yourself fallin
Into a new dimension
Can't you feel the tension?
Don't let me forget to mention
The Underground is puttin their two cents in
What's the matter, feelin blue?
Does this record bother you??
If so, you need to leave it alone
You're in the danger zone

("Just lounge, you're in the danger zone" -- Erick Sermon) (8x)

Verse Three: Shock G

Caught a red light downtown (downtown) Freak was on the tip, cause my window was down Stuck her head in the car, it was Dopefiend Carla She said "Can you spare five dollars? I said hell no She said "I'm not asking for much" I said bitch, I'd rather give a crippled crab a crutch (crab a crutch) She said "Why you wanna clown me" I said "It's simple, I don't like fiends hangin round me Can't you see, that you got a disease? You weight sixty-six pounds, down from a hundred and three" The light turned green and I was gone She was livin in the danger zone It's a new dimension Can't you feel the tension You recognize this sound Go on, just put the pipe down What's the matter, feelin blue? Does this record bother you?? If so you need to leave it alone Punk, you're in the danger zone

("Just lounge, you're in the danger zone" -- Erick Sermon) (12x)

Uhh I'm at the 9600 block of Macarthur, Apartment A (That's a 10-4, 419, uhh, backup for you is on route to your location) Ahh yes, victim ID Young black female, uhh eighteen, she's pregnant You-you-young black female, uhh eighteen, she's pregnant Apparent crack overdose I'm gonna need backup (4X) Nine-eleven, nine-eleven Uhh cancel that backup call, we've lost her
