

Destination Breakdown

Digitalism

Lifelong somersault
Touching all the night stars
Destination overhaul
The vintage men still haunt

Midnight, morning
Payback supplement
Listen to the warning
I'm bringing you to iceland

Call to the masses
I know it's just a long shot
The most colorful sunset
Disco-vision nonstop

Hot sensations, ice cold energy
Calling all the stations
You might've got the remedy

Call to the masses
I know it's just a long shot
The most colorful sunset
Disco-vision nonstop

Break it down
Break it down
Break it down
Break it down

Break it down (break down, break down)
Break it down (break-break down)
Break it down (break down, break down)
Break it down (break-break down)

Break it down

Break down, break down, break-break down
Break down, break down, break-break down
Break down, break down, break-break down

Break down, break down, break-break down
Break down, break down, break-break down
Break down, break down, break-break down
Break down, break down, break-break down

Break down, break down, break-break down
Break down, break down, break-break down
Break down, break down, break-break down
Break down, break down, break-break down

Break down, break down, break-break down
Break down, break down, break-break down
Break down, break down, break-break down
Break down, break down, break-break down

Break down, break down, break-break down
Break down, break down, break-break down

Break down, break down, break-break down
Break down, break down, break-break down
