

Stuck?

Digitalism

There I go, being out
Face to face, I miss you more
It sounds strange, being out
I feel the pain, clear my mind
There you are, hanging out
Face to face, I miss you more

There we are, we'll never know
Face to face, I miss you more
Sounds like "question mark?"

Will we be known and loved?
We'll never know
Will we be known and loved?
We'll never know
Will we be known and loved?

Will we be known and loved?
Will we be known and loved?
Will we be known and loved?
Will we be known and loved?
Will we be known and loved?
