

## The Ism

## Digitalism

Oh yeah, they call them Mr. Easy Come, Easy Go  
It's a fact Isi and Jens  
They'll be rocking the show  
The dynamic DJ duo on the 1s and 2s  
Electro dance music rhythm  
If you're feeling the blues  
Got Christoph and Mackie on the technicals  
Bjorn manages the tour and the money flow  
Backstage pimp and watch the way  
He works the hoes  
No hit no backstage pass, no mama, hit the road  
You can catch him online  
Huntin' chickens on Tinder  
For a late night espresso and a romantic dinner  
He's a little bit selective, mind no disrespect  
But this is Digitalism  
So what the fuck you'd expect  
We said 'respect'

Then we hit you with that  
Digital digital digital  
Digitalism  
Digital digital digital digitalism  
Digital digital digital digitalism  
Digital digital digital digitalism

Mama, we know what you want  
Mama, we know what you want  
Mama, we know what you want  
Mama, we know what you want  
Mama, we know what you want  
Then we hit you with that  
Digital digital digital  
Digitalism
