DIIV

```
You'll never have a home,
you'll never have a home,
you'll never have a home,
until you go home.
You'll never have a home,
you'll never have a home,
you'll never have a home,
until you go home.
You'll never have a home,
you'll never have a home,
you'll never have a home,
until you go home.
You'll never have a home,
you'll never have a home,
you'll never have a home,
until you go home.
