

Is the Is Are

DIIV

You ain't the first to realize
You ain't the first to look in my eyes

Over my head and positive
I have a gift that i'll never give

You ain't the first
You ain't the first

Last time i walked down this street
I walked down this street
I wanted to die

Die

Now i'm fighting
I feel like i'm fighting
I feel like i'm
Fighting for my life

Life
