

## Valentine

DIIV

The right side of me  
Is the right side of me  
Burn it down and give it up  
You never wanna give it up

Medicine for free  
If you'd only asked for me  
I'd be a better animal  
In every other little way

Stuck inside of me  
In tragedy i'm complete  
Mother father daughter son  
My Valentine my only one

Keep me in distant sight  
Of when it's day and when it's night  
And how many weeks have passed  
And if I'm still who i was last
