

I can tell what you're going through baby, you've been stressing out lately
I know things have been crazy, I know things have been crazy
But I'm still down and I'm feeling the same way
About you, don't think that that's changing
Don't you think that that's changing at all

You're still the only one that I adore
I won't try and explain it, girl just know I'm sure

Baby, I know there've been some things that I've done wrong
Just so you know you're on my mind whenever I'm gone
Don't ever think that things won't get better
You're still the one that's holding my heart
You've had it from the start

You've got me feeling like I just laid eyes on you
And tonight we'll do whatever you wanna
I know it's been a minute since we kicked it
Like this and girl I missed it
I know that recently we've been so distant
But let's cancel those plans and get into something

Baby, I know there've been some things that I've done wrong
Just so you know you're on my mind whenever I'm gone
Don't ever think that things won't get better
You're still the one that's holding my heart
You've had it from the start
Baby, I know there've been some things that I've done wrong
Just so you know you're on my mind whenever I'm gone
Don't ever think that things won't get better
You're still the one that's holding my heart
You've had it from the start

I can't explain it, I can't explain it
But one and one is two, all I need is you, all I want is you baby
I can't contain it, the way that I feel
My love ain't changing at all

I can't explain it, I can't explain it
But one and one is two, all I need is you, all I want is you baby
I can't contain it, the way that I feel
My love ain't changing at all

Baby, I know there've been some things that I've done wrong
Just so you know you're on my mind whenever I'm gone
Don't ever think that things won't get better
You're still the one that's holding my heart
You've had it from the start
Baby, I know there've been some things that I've done wrong
Just so you know you're on my mind whenever I'm gone
Don't ever think that things won't get better
You're still the one that's holding my heart
You've had it from the start
Baby, I know there've been some things that I've done wrong
Just so you know you're on my mind whenever I'm gone
Don't ever think that things won't get better
You're still the one that's holding my heart

You've had it from the start...
