Annie  
Shouldn't have to come for me  
Always Annie  
You ain't lightning on your feet

You can change your mind  
You can change your mind  
Annie  
I wish I didn't know no better  
Sometimes Annie  
Annie, no  
You can change your mind  
You can change your mind  
You can change your mind  
Annie, I  
Annie, I  
Annie, I  
Annie, I

Annie  
I wish I didn't know no better  
Sometimes Annie  
Annie, yeah

You can change your mind  
You can change your mind  
You can change your mind  
Annie, I  
Annie, I  
Annie, I
