

CRYBABY :*(

Dijon

Hold it down

I collapse when seein your face cause u do it on purpose now

BABY it's an idiot thing denying, can't u see?

I wish you'd put your trust in me, sometimes well I'm anxiously

And I don't mind if u see me cry ooooooooo

U know I can be a cry baby I'm cryin out to u and stuff

U know I can be a cry baby I'm cryin out to u and stuff

U know I can be a cry baby I'm cryin out to u and stuff

Well hold it now, what happened to all of those things like u said u would hold me down?

Maybe I'm an idiot for trying hard to be somebody that you want me to be, sometimes you're so hard to read

But I don't mind if you see me cry oooh

U know I can be a cry baby I'm cryin out to u and stuff

U know I can be a cry baby I'm cryin out to u and stuff

U know I can be a cry baby I'm cryin out to u and stuff

But I don't mind if u see me cry ooooooooo

U know I can be a cry baby I'm cryin out to u and stuff

U know I can be a cry baby I'm cryin out to u and stuff

U know I can be a cry baby I'm cryin out to u and stuff
