# Distant Love

**Dijon**

I guess you never can really be sure
And it goes without saying, it's not the same
Well, I'm just wishing that we could be close
I know you get the feeling that something's changed

It's always "I don't have enough time at the moment"
Or "I'll hit you right back"
"Maybe we could save it all up for the weekend"
Or something like that
It's always "I don't have enough time at the moment"
Or I'll hit you right back"
It's so hard to maintain

It's distant Love
(Ohhhh ahhhh)
It's distant Love
(Yeah yeahhhh)
It's distant Love
(Ohhhh ahhhh)
It's distant Love
(Yeah yeahhhh)

How can you look and say that nothing's changed?
All of this space between us is breaking my heart
How can you look and say that nothing's changed?
All of this space between us is breaking my heart

It's always "I don't have enough time at the moment"
Or "I'll hit you right back"
"Maybe we could save it all up for the weekend"
Or something like that
It's always "I don't have enough time at the moment"
Or I'll hit you right back"
It's so hard to maintain

It's distant Love
(Ohhhh ahhhh)
It's distant Love
(Yeah yeahhhh)
It's distant Love
(Ohhhh ahhhh)
It's distant Love
(Yeah yeahhhh)

(Ohhhh ahhhh)
(Yeah yeahhhh)
(Ohhhh ahhhh)
(Yeah yeahhhh)
