

Maybe this time
You will learn about yourself
If just watch you do and what you don't mean
They say there is a time
To figure out yourself
And there's nothing and nobody else can give you

I'm just open
You don't
Follow what keeps you hanging on
And I wonder if you know
That you deserve that
And it's hurting
I know
Like here's your feelings and they go
And its worth it
Too hold
Yeah I hold out

And if you wanna
I can make sure you give it to you
(Give it to you)
And if you wanna
I can make sure I give it to you
(Give it to you)
And if he gotta take it, just be patient
Meanwhile, I will give this soon
Ohhhh, ooh, ahh
Ohhhh, ooh, ahh
Ohhhh, ooh, ahh
Ohhhh, ooh, ahh

I'm just open
You don't
Follow what keeps you hanging on
And I wonder if you know
That you deserve that
And it's hurting
I know
Like here's your feelings and they go
And its worth it
Too hold
Yeah I hold out

And if you wanna
I can make sure you give it to you
(Give it to you)
And if you wanna
I can make sure I give it to you
(Give it to you)
And if he gotta take it, just be patient
Meanwhile, I will give this soon
Ohhhh, ooh, ahh
Ohhhh, ooh, ahh
Ohhhh, ooh, ahh
Ohhhh, ooh, ahh
