

End

Dijon

All of my recent dreams
They're like memories on a TV screen
Cutting in and out again

And the violence again
Stress is energy
Stress is energy
That we don't need to spend

And those that messed up
Ain't love broken
Wild horses roam
Wild horses roam
And I should have said to your face
Don't speak, you're wrong
Wild horses roam
Wild horses roam

Ohhh.ohhhh
Ohhh, ohhh
Ahhhhhh, ahhhh
Ohhhhhh, ooohhh
Ohhhhhh, ooohhh
Ahhhhh

(And I know that its busy right now
But like that...
And I know that its busy right now
But like that...
Yea I know that its busy right now
But like that...
And I know that its busy right now
But like that...)

Ohhh.ohhhh
Ohhh, ohhh
Ahhhhhh, ahhhh
Ohhhhhh, ooohhh
Ahhhhh
