

Like A Bird

Dijon

You're beautiful
That's for sure
You'll never ever fade
You're lovely
But it's not for sure
That I won't ever change, change

And though my love is rare
It's rare
And though my love is true
It's true
Well I'm just scared
I'm scared
That we may fall through
Through, through

I'm like a bird
I will only fly away
I'm like a bird
I will only fly away
Baby all I need for you to know is
Baby all I need for you to know is x2

Your faith in me brings me to tears
Even after all these years
And it pains me, it's so much to tell
That you don't know me that well

And though my love is rare
It's rare
And though my love is true
It's true
Well I'm just scared
I'm scared
That we may fall through
Through, through

I'm like a bird
I will only fly away
I'm like a bird
I will only fly away
Baby all I need for you to know is
Baby all I need for you to know is x2
