

Red Light

Dijon

I'm open
Hoping
Barely standing on my feet
I'm floating in ocean
Colors crash all over me

It's like I'm in a room that keeps on spinning and I can feel every heartbea
t
Heartbeat
Heartbeat
And I'm crawling on the ceiling and I can feel every heartbeat
Heartbeat
Heartbeat

And I'm falling
Yes I'm falling
Yes I'm falling
To these red lights
Shawty over there there's something 'bout these red lights [?]

Falling
Yes I'm falling
Yes I'm falling
To these red lights
Let it wash over me

I'm open
Hoping
Barely standing on my feet
And I'm floating in ocean
Colors crash all over me

It's like I'm in a room that keeps on spinning
And I can feel every heartbeat
Heartbeat
Heartbeat
And I'm crawling on the ceiling and I can feel every heartbeat
Heartbeat
Heartbeat

And I'm falling
Yes I'm falling
Yes I'm falling to these red lights
Shawty move over there, something about these red lights [?]
Falling, yes I'm falling
Yes I'm falling to these red lights
Let it wash over me

Falling yes I'm falling
Yes I'm falling to these red lights
Shawty there's just something about these red lights
Falling yes I'm falling
Yes I'm falling to these red lights
Let it wash over me
