Dijon

I keep having dreams that'll stress me out again
I keep having dreams that make me cry
Oh, what am I supposed to do?
It's getting harder to be close to you
I know you try

What if you change?
And look at me like I'm a stranger?
Oh, what if I don't change?
What if I feel like this forever, is forever now?
Please show me how to

I keep doing things that'll push you out again
I'm coming undone and I don't know why
No you shouldn't lie, no you shouldn't lie
Now it's getting harder to try

What if you change?
And look at me like I'm a stranger?
Oh, what if I don't change?
What if I feel like this forever, is forever now?
Please show me how to change
What if you see me as a stranger?
Oh, what if I don't change?
What if I feel like this forever, is forever now?
Please show me how to change

I dream of sweat dripping around my neck
And I felt upset but I didn't know why
A thousand miles of road stretched from east to west
I tried to follow your voice but I didn't know how
Where are you now? (I can't catch my breath)
I dream of sweat dripping around my neck
And I felt upset but I didn't know why
There's too much road stretched (I can't catch my breath)
I wanna follow your voice but I don't know how, I didn't know h

I dream of sweat dripping around my neck
I dream of sweat dripping around my neck
I dream of sweat dripping around my neck
