

Sweet Thing

Dijon

I would love you anyway
Even if you cannot stay
Think you are the one for me
Here is where you ought to be
I just wanna satisfy you
But you're not mine, I can't deny it
Don't you hear me talkin', baby?
Love me and I will, I'll go crazy

Oh, sweet thing
And you know, don't you know you're my everything?
Whoa, sweet thing
Don't you know you're my everything?

Well, I wish you were my lover
But you act so undercover
To love you, child, the whole life long
Be it right or be it wrong
I'm only what you make me, baby
Don't walk away, don't be so shady
I don't want your mind, don't want your money
These words I say, they may sound funny but

Oh, sweet thing
Don't you know you're my everything?
Oh, sweet thing
Don't you know you're my everything?

You are my heat, you are my fire
You make me weak with strong desire
To love you, child, the whole life long
Be it right or be it wrong
I just want to satisfy you
But you're not mine, I can't deny it
Don't you hear me talkin', baby?
Love me and I'll go crazy
