

## Twelve

Dijon

I'm tryna meet you  
But you won't pick up the phone  
I gotta see you  
You know it's been too long  
We can get this thing poppin'  
Something that you wanna do  
Yeah we can get this thing poppin'  
I got a thing for you

And maybe we can rendezvous  
I'm thinking 'round twelve  
Yeah maybe we can rendezvous  
If you can't tell  
Well I been thinking 'bout you  
(Thinking 'bout you)  
Yeah I been thinking 'bout you  
(Thinking 'bout you)  
Well I been thinking 'bout you  
(Thinking 'bout you)  
Oooohhhohohoooooh

I ain't gonna sit around if  
Like I don't wanna...  
With you  
I ain't gonna sit around if  
Like I don't wanna...  
With you  
Don't doubt it, don't doubt it  
Cause girl you just ain't anybody, anybody  
And girl you just ain't anybody  
I don't care what we do

And maybe we can rendezvous  
I'm thinking 'round twelve  
Yeah maybe we can rendezvous  
If you can't tell  
Well I been thinking 'bout you  
(Thinking 'bout you)  
Yeah I been thinking 'bout you  
(Thinking 'bout you)  
Well I been thinking 'bout you  
(Thinking 'bout you)  
Oooohhhohohoooooh

And maybe we can rendezvous  
I'm thinking 'round twelve  
Yeah maybe we can rendezvous  
If you can't tell  
Well I been thinking 'bout you  
(Thinking 'bout you)  
Yeah I been thinking 'bout you  
(Thinking 'bout you)  
Well I been thinking 'bout you  
(Thinking 'bout you)  
Oooohhhohohoooooh

Girl are you still awake?

Cause if so, imma need a yes/no  
Is you tryna ride?  
Let me facilitate  
Let's get it, we been putting you and I off way too long  
There isn't anybody in my city I would give the time of day  
So don't get it crossed  
I'm telling you I'm only 21 and I'm already done playing games  
Cause you got hormones and I know what to do with em  
Murmurs of your old dude  
Praying that you're through with em  
Movin' and groovin' a little underneath the moon  
I'd be ringing you if I couldn't keep my kool  
Asian shorty with the long locks, them long legs  
With the phatty and the long day  
Let's rendezvous right away  
I'm thinking 'round twelve  
Whatcha say?
