

What Changed

Dijon

You said that you would never leave me
You've taken everything from me
Why won't you walk away
Then you'll be safe

You said that you would never leave me
You've taken everything from me
Why won't you walk away
Then you'll be safe

You said that you would never leave me
You've taken everything from me
Why won't you walk away
Then you'll be safe

You said that you would never leave me
You've taken everything from me
Why won't you walk away
Then you'll be safe

You said that you would never leave me
You've taken everything from me
Why won't you walk away
Then you'll be safe

You threw away what we had
Just like that
You threw away what we had
Just like that
You threw away what we had
Just like that
You threw away what we had
Just like that
You threw away what we had
Just like that
