

Pain

Diljit Dosanjh

I got some good days
I got some bad days

I got some good ones
I got some bad ones

Munda karda ae saareyan naa' deal
Munda karda ae saareyan naa' deal
Pain in my body I don't feel, I don't feel
Pain in my body I don't feel, I don't feel

Pain in my body, I feelin' uh, I killin' uh
Pain in my body, I feelin' uh, I killin' uh

Kendi si, tere naal hi jeena
Te tere naal hi marna
She was the love of my life

Injh dilon kaddeya
Tu taan mainu shaddeya
Fark ni painda
Sachi dilon kehnda

Tough time hun langh gaye ne yaar de
Fukri ni maarde
Dukh den wale baut
Kise kita naiyo zakhma ni heal

Pain in my body I don't feel, I don't feel
Pain in my body I don't feel, I don't feel

Pain in my body, I feelin' uh, I killin' uh

This is a jungle, people kill each other to survive
Ain't I be humble but I never get out of my land
Standin' on the north side showing peace sign
Tuvi chun-chun my mean time

Oh rav hanjra na kade billo haare
Hiq vairiyan di nit munda thaare
Oh rav hanjra na kade billo haare
Hiq vairiyan di nit munda thaare

I got some good days
I got some bad days

I got some good ones
I got some bad ones

Munda karda ae saareyan naa' deal
Munda karda ae saareyan naa' deal
Pain in my body I don't feel, I don't feel
Pain in my body I don't feel, I don't feel

Pain in my body, I feelin' uh, I killin' uh
Pain in my body, I feelin' uh, I killin' uh

All I got the good and bad ones
All I got the good and bad ones
All I got the good and bad ones
