

Dixie Again

Dillon Carmichael

I took a wrong turn somewhere, woke up in a mess
With a stranger beside me and another regret
I got a woman back home but it ain't workin' out
I keep my sails in the wind, you can't run me aground

I guess it's "So long"
I'll keep movin' on
Who cares if I'm wrong?
I've been runnin' on sin
I'm headed for Dixie again

I lost my direction but I kept pushin' on
Took a left at the right and a right at the wrong
I've shot for redemption and I've missed every time
Gotta get back to someplace south of the line

I guess it's "So long"
I'll keep movin' on
Who cares if I'm wrong?
I've been runnin' on sin
I'm headed for Dixie again

I guess it's "So long"
I'll keep movin' on
Who cares if I'm wrong?
I've been runnin' on sin
I'm headed for Dixie
So long
I'll keep movin' on
Who cares if I'm wrong?
I'm runnin' on sin
I'm headed for Dixie again
