You push my, push my
Like that
If you wanna push my
You push my, push my
Like that

If you wanna push my
If you wanna push my
If you wanna push my

You push my, push my
You push my, push my
You push my, push my
You push my, push my
You push my, push my
You push my, push my...

If you wanna push my
If you wanna push my
If you wanna push my
If you wanna push my
If you wanna push my

Push my, push my
Push my, push my
Push my, push my
Push my, push my

If...

If you wanna push my

If you wanna push my
If you wanna push my
You push my, push my, push my
If you wanna push my
You push my, push my, push my
If you wanna push my

I don't give a fuck
