

# Hello There

Dillon Francis

Told her we can go there if you want  
We can go there if you want  
Yeah we can go there if you want  
We can go there if you want  
Said hello there, it's been so long  
Yeah, it's been so long  
Said hello there, it's been so long  
Yeah, it's been so long

From the car to the plane  
Through the hills on a train  
We can go where you want to  
Roll where you want to  
I know all your pain  
All the stars are the same  
We can go where you want to  
You know that I want you, girl

Shorty do her own damn thing  
She wants to go get high all day (what she say to me)  
She know where I stay  
That's by the beach  
She fucks with the beach  
Yeah she fuckin' with me

Told her we can go there if you want  
We can go there if you want  
Yeah we can go there if you want  
We can go there if you want  
Said hello there, it's been so long  
Yeah, it's been so long  
Said hello there, it's been so long  
Yeah, it's been so long

I told her, baby  
Why you keep ducking me lately?  
We should be loving not fighting  
I just don't like it  
Away from the drama  
That's why I'm flyin'  
That's why I'm stayin'  
Wish you were here with me  
I hope you hear what I'm sayin'  
On my own like an island  
On my own like an island

Shorty do her own damn thing  
She wants to go get high all day (what she say to me)  
She know where I stay  
That's by the beach  
She fuck with the beach  
Yeah she fuckin' with me

Told her we can go there if you want  
We can go there if you want  
Yeah we can go there if you want  
We can go there if you want

Said hello there, it's been so long  
Yeah, it's been so long  
Said hello there, it's been so long  
Yeah, it's been so long

We can go anywhere that you want to go  
I can tell you anything that you want to know  
I can go anywhere that you want to go (beach boy in this hoe)  
Beach boy in this hoe

Told her we can go there if you want  
We can go there if you want  
Yeah we can go there if you want  
We can go there if you want  
Said hello there, it's been so long  
Yeah, it's been so long  
Said hello there, it's been so long  
Yeah, it's been so long

(Yeah, it's been so long)  
Yeah we can go there if you want  
(Yeah, it's been so long)  
(Yeah, it's been so long)  
Say hello there, it's been so long  
Yeah, It's been so long  
(Yeah, it's been so long)
