

Touch

Dillon Francis

(Only want you)

So many things left unsaid
It might be hard to accept
Won't you be honest?
Won't you be honest?
It's hard to call you a friend
Don't try to misrepresent
Girl, why you stoppin'?
Girl, why you stoppin'?

You (don't hesitate)
Put me through it (I'm here to stay)
Girl, you (can't make me wait)
When you act like this when we're alone

I only wanna touch your body
I only want you (only want you)
I only wanna touch your body
I only want you (only want you)
I only wanna touch your body
I only want you (only want you)
I only wanna touch your body
I only want you (only want you) (only want you)

Can't get me outta your head
This love is hard to confess
I know you want it
I know you want it

You (don't hesitate)
Put me through it (I'm here to stay)
Girl, you (can't make me wait)
When you act like this when we're alone

I only wanna touch your body
I only want you (only want you)
I only wanna touch your body
I only want you (only want you)
I only wanna touch your body
I only want you (only want you)
I only wanna touch your body
I only want you (only want you) (only want you)
