

Unconditional

Dillon Francis

I got love for you, even if you don't for me
I'll be by your side to dry your eyes
Even if you won't for me
I'll be there for you, even if you care for me
I'll be the light that shines through darkest nights
No matter what you throw at me

All night, all night, all night
Make up after we fight
Still after all this time, you drive me wild
Ain't nobody like you, keeps me in this cycle
For you, I'd run another million miles
Unconditional

Oh I, oh I, oh I
Ain't nothing that you can do
I keep loving you
Unconditional
Oh I, oh I, oh I
Ain't nothing that you can do
It's me and you
Unconditional

Unconditional, unconditional
Unconditional, unconditional
Unconditional, unconditional
Unconditional, unconditional

I can't give you up
'Cause I love what it feels like
You are more than enough
Even if it's wrong, it still feels right
Oh yeah

All night, all night, all night
Make up after we fight
Still after all this time, you drive me wild
Ain't nobody like you, keeps me in this cycle
For you, I'd run another million miles
Unconditional

Oh I, oh I, oh I
Ain't nothing that you can do
I keep loving you
Unconditional
Oh I, oh I, oh I
Ain't nothing that you can do
It's me and you
Unconditional

Unconditional, unconditional
Unconditional, unconditional
Unconditional, unconditional
Unconditional, unconditional
