

# We Make It Bounce

Dillon Francis

Me love when you roll it, oh ma ma ma ma  
So make me control it, oh na na na na  
When she a back it up and a look pon me  
And a eye contact me a pray  
Move up ya body, ay gal

When you make it bounce, bounce, bounce  
Gal make it bounce, bounce, bounce  
While you make it bounce, bounce, bounce  
Me say gal make it bounce, bounce, bounce

When you make it bounce, bounce, bounce  
Gal make it bounce, bounce, bounce  
While you make it bounce, bounce, bounce  
Me say gal make it bounce, bounce, bounce

We make it bounce

Me love when you roll it, oh ma ma ma ma  
So make me control it, oh na na na na  
When she a back it up and a look pon me  
And a eye contact me a pray  
Move up ya body, ay gal

When you make it bounce, bounce, bounce  
Gal make it bounce, bounce, bounce  
While you make it bounce, bounce, bounce  
Me say gal make it bounce, bounce, bounce

When you make it bounce, bounce, bounce  
Gal make it bounce, bounce, bounce  
While you make it bounce, bounce, bounce  
Me say gal make it bounce, bounce, bounce

Make it bounce up, make it bounce up, make it bounce up
