Cry Bebe

Dillon

Cry bebe come my way
Take the depth away from the pain
Dry my tears, silence my fears
What goes up must come down

Cry bebe come my way
Take the depth away from the pain
Dry my tears, silence my fears
What goes up must come down

What goes up crashes down
For every high a comedown
Before the storm I was calm
(Now breathing feels drowning)
I feel like I'm drowning
In a sea of doubt
Lose my touch, lose my ground
With nobody around
I don't know how to

Step away from the edge
Close my eyes, hold my breath
Step away from the edge
Through the dark, take my hand

Cry bebe come my way
Take the depth away from the pain
Dry my tears, silence my fears
What goes up must come down

Cry bebe come my way
Take the depth away from the pain
Dry my tears, silence my fears
What goes up must come down

Lift me up, knock me down
A cry for help, a foreign sound
Before the storm I was calm
(Now I breath in) I'm drowning
(I breathe out) and I'm downing
In a sea of doubt
Lose my touch, lose my ground
With nobody around
I don't know how to

Step away from the edge
Close my eyes, hold my breath
Step away from the edge
Through the dark, hold my hand

Cry bebe come my way
Take the depth away from the pain
Dry my tears, silence my fears
What goes up must come down

Cry bebe come my way
Take the depth away from the pain

Dry my tears, silence my fears
What goes up must come down
